

**ELEMENTARY SCHOOL LIBRARY LESSON PLAN # K-1.3a**

<b>National Literacy Standard</b>	<b>1.3</b> The student who is information literate accesses information efficiently and effectively by formulating questions based on information needs.	<b>KINDERGARTEN</b>
<b>Virginia SOL</b>	<b>K.13(E)</b> The student will ask how and why questions.	
<b>Library Objective</b>	The student will ask pertinent how and why questions based on a nonfiction book.	
<b>Title</b>	“KWL with Nonfiction Books/ Biographies”	
<b>Resources</b>	Any nonfiction book on a topic of interest to students	
<b>Introduction</b>	Have a KWL chart on board (Know/ Want to Know/ Have Learned), have topic of book on board	
<b>Vocabulary</b>	Question words (who what when where how why), nonfiction	
<b>Activity</b>	<p>Explain that we will be looking at a book that will teach us something today. Our job is to learn something new from this book. Tell what the book is about, and ask student to list 3-5 things that they already know about this topic. List on board under <b>K</b>- tell students that stands for what we “already know.”</p> <p>Ask student to give you 3-5 questions that they want to know about the topic. Write those on the chart under <b>W</b>- tell students that stands for “want to know.”</p> <p>Share the book, emphasizing that it is a <b>nonfiction</b> book and that nonfiction books are true.</p> <p>Ask students to give 3-5 things that they learned. Write them on the chart under <b>L</b>- tell students that stands for “what we learned.”</p> <p>Time permitting, go back and look at the <b>W</b> part of the chart. Did you find the answers to those questions? Where else could you look to find those answers.</p>	
<b>Closure</b>	Review what was learned about topic, and what else they might want to learn.

**ELEMENTARY SCHOOL LIBRARY LESSON PLAN # K-1.4a**

<b>National Literacy Standard</b>	1.4 The student who is information literate accesses information efficiently and effectively by identifying a variety of potential sources of information.	<b>KINDERGARTEN</b>
<b>Virginia SOL</b>	<b>K.1(SS)</b> The student will recognize that history describes events and people of other times and places by identifying examples of past legends and historical accounts.	
<b>Library Objective</b>	The student will identify a biography as a book about a person.	
<b>Title</b>	<i>“Johnny Appleseed”</i>	
<b>Resources</b>	<u>Johnny Appleseed</u> by Steven Kellogg.	
<b>Introduction</b>	Explain what books about people are called.	
<b>Vocabulary</b>		
<b>Activity</b>	<ul style="list-style-type: none"> <li>• We call a book about a person a biography.</li> <li>• Read <u>Johnny Appleseed</u> by Steven Kellogg.</li> <li>• Discuss Johnny Appleseed’s life. How do we know about his activities? Stories were told by word of mouth and now we have books about him. These are called biographies.</li> </ul>	
<b>Closure/ Evaluation</b>	<p>What did we read today?                      What do we call books about people?</p> <p>Observation of students. Could they all answer the questions?</p>

**ELEMENTARY LIBRARY LESSON PLAN # K-1.4b**

<b>National Literacy Standard</b>	1.4 The student who is information literate accesses information efficiently and effectively by identifying a variety of potential sources of information.	<b>KINDERGARTEN</b>
<b>Virginia SOL</b>	<b>K.4SS)</b> The student will use simple maps and globes to locate areas referenced in stories and real life situations.	
<b>Library Objective</b>	Students will use a globe or map to find the setting of the story.	
<b>Title</b>	<i>“Maps and Globes with Stories”</i>	
<b>Resources</b>	<u>Abiyoyo</u> by Pete Seeger Map or globe	
<b>Introduction</b>	Introduce the cover of the book. Ask if stories can come from other places. From where might this story come?	
<b>Vocabulary</b>		
<b>Activity</b>	<ul style="list-style-type: none"> <li>• Read the introduction of the book. It states this story comes from South Africa. How can we find out where South Africa is? Introduce maps and globes. Locate South Africa.</li> <li>• What can the map tell us about South Africa? Is it hot or cold? What type of houses might the people live in?</li> <li>• Read the story and check to see if the story setting matches the map location. Do they have winter clothes? What do their houses look like?</li> </ul>	
<b>Closure</b>	<p>What helped us check the story setting? What kind of information does a map or globe give?</p> <p>What can maps and globes do? How can they help us?</p>

**ELEMENTARY SCHOOL LIBRARY LESSON PLAN # K-1.4c**

<b>National Literacy Standard</b>	<b>1.4</b> The student who is information literate accesses information efficiently and effectively by identifying a variety of potential sources of information.	<b>KINDERGARTEN</b>
<b>Virginia SOL</b>	<b>K.13(E)</b> The student will begin to ask how and why questions. <b>K.5(E)</b> The student will identify the front cover, back cover, and title page of a book.	
<b>Library Objective</b>	Students will identify the librarian and his/her role.	
<b>Title</b>	“ <i>What’s My Line?</i> ”	
<b>Resources</b>	Mail person outfit, mailbox Book Sample spine labels large enough to share with a class	
<b>Introduction</b>	Introduce that you are a book doctor and a mailman for books. Revisit what a book doctor does.	
<b>Vocabulary</b>	Spine Spine labels	
<b>Activity</b>	<ul style="list-style-type: none"> <li>• Make comparisons between the mailman and the librarian.</li> <li>• How does the mailman find your house? Mailbox, address, street signs.</li> <li>• Show a book and talk about the spine. Introduce the spine label as the mailbox of a book. Discuss that mailboxes belong at the front of the house. Spine labels belong on the spine of the book and have to face toward the front of the shelf. Compare street signs to library signs.</li> <li>• Discuss that the mailman takes mail from house to house. Librarians help books get from kid to kid. We need mailboxes and spine labels to help us.</li> </ul>	
<b>Closure/ Evaluation</b>	<p>Let students play mailman/librarian. Have them locate the spine labels and tell you the address of a book.</p> <p>Have the students play mailman with the large spine labels. Give them the sample spine labels and have them stand beside the shelf where the books would belong.</p>

**ELEMENARY LIBRARY LESSON PLAN # K-1.4d**

<b>National Literacy Standard</b>	<b>1.4</b> The student who is information literate accesses information efficiently and effectively by identifying a variety of potential sources of information.	<b>KINDERGARTEN</b>
<b>Virginia SOL</b>	<b>K.6(SS)</b> The student will match simple descriptions of work that people do and the names of those jobs.	
<b>Library Objective</b>	Students will locate the media center and describe the role of the librarian.	
<b>Title</b>	<i>“What’s My Job”</i>	
<b>Resources</b>	Teacher-made drawing depicting various duties of the librarian	
<b>Introduction</b>	Ask the students to describe what route they took to get the library. Ask them to describe the job of the librarian.	
<b>Vocabulary</b>		
<b>Activity</b>	Prepare some drawings of various duties of the librarian. (Stick figures work fine; this is a good time to show the students why you are not the art teacher!) Include teaching, reading to students, shelving the books, working with computers, televisions and other forms of media, etc. Show the students the drawings and have them identify the job depicted.	
<b>Closure/ Evaluation</b>	As the students prepare to leave, have them describe the location of the library and name some of the duties of the librarian.

**ELEMENTARY SCHOOL LIBRARY LESSON PLAN # K-1.4e**

<b>National Literacy Standard</b>	<b>1.4</b> The student who is information literate accesses information efficiently and effectively by identifying a variety of potential sources of information.	<b>KINDERGARTEN</b>
<b>Virginia SOL</b>	<b>K.5(E)</b> The student will understand how print is organized: identify the front cover, back cover, and title page of a book.	
<b>Library Objective</b>	The student will label the parts of a book: cover, title page, spine, spine label	
<b>Title</b>	<i>“Book Hokey Pokey”</i>	
<b>Resources</b>	Any title to read (seasonal, etc.), student books	
<b>Introduction</b>	Have an outline of a body on display.	
<b>Vocabulary</b>	Spine, spine label, title page, cover	
<b>Activity</b>	<p>Show the outline of a person and ask what covers the person to keep their parts inside - skin. Compare the skin of a person to the COVER of a book.</p> <p>Ask what part of the body lets us know who a person is - how we recognize them - their face. Compare the face to the TITLE PAGE of book.</p> <p>Have students find their spine - show the spine of a book. Explain that books in the library have a spine label so that we know where they go.</p> <p>Read a book, emphasizing the parts of the book.</p>	
<b>Closure</b>	After students have checked out their books, have them gather back on the rug and sing the “Hokey Pokey” using their body parts and the parts of their book.

**ELEMENTARY SCHOOL LIBRARY LESSON PLAN # K-1.5a**

<b>National Literacy Standard</b>	<b>1.5</b> The student who is information literate accesses information efficiently and effectively by developing and using successful strategies for locating information.	<b>KINDERGARTEN</b>
<b>Virginia SOL</b>	<b>K.3(SS)</b> The student will describe the relative location of people, places, and things by using positional words, with emphasis on near/far, above/below, left/right, and behind/in front.	
<b>Library Objective</b>	Students will locate different sections of the library. Students will recognize that each section is arranged in a specific way.	
<b>Title</b>	“ <i>Mailman - Part 2</i> ”	
<b>Resources</b>	Mailman costume <u>The Jolly Postman : Or Other People's Letters</u> by Janet Ahlberg Large spine labels and call numbers for each section.	
<b>Introduction</b>	Recall that part of a librarian’s job is to deliver books to the right streets (shelf). Review mailboxes (spine labels) and addresses (call numbers).	
<b>Vocabulary</b>	Spine labels Call Numbers	
<b>Activity</b>	<ul style="list-style-type: none"> <li>• Read <u>The Jolly Postman : Or Other People's Letters</u> -- Janet Ahlberg.</li> <li>• Ask how the mailman knew where to deliver the letters.</li> <li>• Examine the envelopes.</li> <li>• Compare the envelopes to spine labels and call numbers.</li> <li>• Compare street signs to library shelf labels.</li> <li>• Examine the spine labels and determine the call number of the book.</li> <li>• Lead the class to the section and “deliver” a book to the right home.</li> <li>• Do this with each section and have students identify what type of books is in each area.</li> </ul>	
<b>Closure/ Evaluation</b>	What did we do today? Give students sample spine labels. Let them stand in the correct section holding their spine label. Have partners check them for correct answers.

<b>Virginia SOL</b>	<b>K.8(E)</b> The student will demonstrate comprehension of stories by discussing character, setting, and events.	
<b>Library Objective</b>	Students will identify the author as the person who writes a book.	
<b>Title</b>	<i>“Awesome Authors”</i>	
<b>Resources</b>	<u>If You Give a Mouse a Cookie</u> (Numeroff) or another title by her. Chart paper and pen	
<b>Introduction</b>	Have books by Numeroff on display, ask students if they have seen these books before.	
<b>Vocabulary</b>	Author, illustrator	
<b>Activity</b>	<p>Introduce the book by saying that we will be reading a book by a favorite author. Show title page, pointing out the title, author, and the illustrator. Explain that the author is the person that writes the story/words in the book. They usually do not draw the pictures.</p> <p>Share the book, asking questions about what will happen next.</p> <p>Tell the students that they are going to be authors, too. Use chart paper to write a story, “If You Give a Tiger Cub a Tomato.” Get input from the students and ask questions to prompt ideas. What does he do with the tomato? Why does he do that? What will he do next? What does that remind him of? Record the story on the chart paper as they give it. Once the story is finished, read it back to them. Explain that are no pictures because the author does not usually draw the pictures.</p>	
<b>Closure</b>	Display the story for others to see. Point out the author of the books they choose for check-out.
