

2017 SCHOOL PROFILE

Cold Harbor Elementary

DEAR PARENTS AND COMMUNITY FRIENDS:

The School Profile Fall 2017 issued by the Hanover County School Board for each school in the county complements the Virginia School Report Card prepared by the Virginia Department of Education. The Profile offers a comprehensive picture of the school by providing highlights of our students, our school, our teachers, and our parents. Unless otherwise noted, all data reported are from the 2016–2017 school year. We want to present a broader, more detailed view of your school—data about achievement tests, activities, technology, community involvement, and other attributes. You are welcome to visit or call any of our schools or the State Board of Education to obtain additional information, discuss a suggestion, or share a concern.

Thank you for your strong support of our school system.

Sincerely,

Dr. Michael B. Gill, Superintendent of Schools

HIGHLIGHTS

- Through the support of our business partners, we host a quarterly program to recognize two students per class who demonstrate outstanding character. These students are affectionately known as our “Cougars with Character.”
- With support from the Hanover Education Foundation and our entire school community, CHES established a school-wide STEAM lab that all classes can utilize to engage in design challenges, critical thinking activities and collaborative problem-solving. CHES also received grant support from the Hanover Education Foundation and our PTA to participate in the “One School One Book” initiative. During the winter of 2017, all students and staff engaged in shared family reading and school activities based on James and the Giant Peach by Roald Dahl.
- Cold Harbor students practiced giving back to our community throughout the school year. In the fall, students collected 2,016 canned goods for Hanover families in need. This spring, students participated in the Pennies for Patients campaign. In just one week we raised \$5,421.29 for the Leukemia and Lymphoma Society, making us one of the top-earning schools in the state of Virginia.

Hanover County Public Schools is a student-centered, community-driven school district that assures a quality education for success in a changing world.
