

2016 SCHOOL PROFILE

Henry Clay Elementary

Dear Parents and Community Friends:

The School Profile Fall 2016 issued by the Hanover County School Board for each school in the county complements the Virginia School Report Card prepared by the Virginia Department of Education. The Profile offers a comprehensive picture of the school by providing highlights of our students, our school, our teachers, and our parents. Unless otherwise noted, all data reported are from the 2015-2016 school year. We want to present a broader, more detailed view of your school—data about achievement tests, activities, technology, community involvement, and other attributes. You are welcome to visit or call any of our schools or the State Board of Education to obtain additional information, discuss a suggestion, or share a concern.

Thank you for your strong support of our school system.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael B. Gill'.

Dr. Michael B. Gill, Superintendent of Schools

HIGHLIGHTS

- Congratulations to our exceptional employees: Melissa Matthews, Teacher of the Year; Susan Taylor, Support Employee of the Year, and Lisa Dingman REB nominee. Mrs. Matthews is an exemplary librarian whose innovative and creative practice makes learning challenging and engaging. Mrs. Taylor is an invaluable instructional aide for our kindergarten team who leads each day on a positive note and goes above and beyond to support the Henry Clay staff and community. Mrs. Dingman, a first grade teacher, received recognition for her passionate and creative instructional practices.
- HCES PTA and Hawks Associates sponsored Points of Excellence Grants that supported innovative programs. Congratulations to Melissa Matthew! Mrs. Matthew's grant supported the Tiger Cub Book Exchange for our second grade students. Mrs. Talley was the recipient of a HEF grant that will support the literacy mission of Henry Clay. Funds will be used to purchase engaging literature so that our students will be lifelong readers.
- HCES is a community-centered organization that prides itself in working collaboratively with various organizations that enhance the learning experiences of our students. We are extremely thankful of our relationships with area business partners and civic organizations such as the Kiwanis Club who provide invaluable educational and social opportunities to our students and staff.
- The WatchDOGS Program hosted many volunteers this year. Dads volunteered their time enthusiastically in the classrooms, cafeteria, playground, and gym. Their presence provided positive male role models while enhancing school security.
